Peacock

Peacocks are colorful, iridescent birds. They are known for their long, colorful tails. Peacocks are found in many parts of the world, including India, China, and Africa. They are often kept as pets and are popular in zoos and parks.

TESTIMONIALS

"Glogpedia is a great resource for content. The level of engagement and creativity is palpable and students always look forward to the next session!"

Stacey Lindes

Teacher Resource Specialist for Technology

"Glogster inspires and supplies creativity with the best tools and platform ever. For my students and I, glogging is not only learning through experience but learning by feeling as well."

GLOG ON THE GO

"The iPad app is particularly cool. The ability to 'web pick' online resources with such ease allows students to focus on gathering and curating relevant information while not wasting precious time figuring out the tool itself."
