OMK-SR-UNI.2

Termination & Repair Tool Kit

Description:

OMK-SR-UNI Termination & Repair Tool Kit is designed for military connectors. Tool Kit is delivered in aluminum case suitable for military tactical applications. Tool Kit includes all necessary instruments and accessories for termination of harsh environment fiber optic connectors. All instruments are placed in special pre formed plastic foam secures tooling during transit and allows simple checking inventory. Tool Kit is designed for harsh environmental conditions use: water resistant, temperature range -40 °C to +80 °C, resistant to UV and magnetic emission.

Specifications Case:

Type: OMK-SR-UNI.2

Termination & Repair Tool Kit

Dimensions: 400 x 300 x 340 mm

Weight: 9.2 kg

Equipment:

- Weather stripping for water protection
- Coated holder with return spring
- Reinforced corners for stacking
- Special pre formed plastic foam
